Detalle

*** CURRENTLY OUT OF STOCK**

The Tramex Remote Environmental Monitoring System Accessory Pack adds more Cloud Sensors to your TREMS project.

The AP-TREMS-10 comprises 10 CS-RHTA Tramex Cloud Sensors. Multiple Sensors can be used with one Tramex Cloud Station. Registration and on-site set-up is simple using a QR code check-in procedure.

The on-site Sensors, with long-life batteries, transmit relative humidity, temperature (ºC and ºF), dew point and grains per pound / grams per kilo readings wirelessly via the Tramex Cloud Station enabling remote monitoring of up to 200 on-site Sensors on the Tramex Cloud platform. Tramex Cloud is a secure platform to store and report your moisture, temperature and relative humidity measurements, get notified of adverse conditions and quickly monitor status from any browser.

There are no subscription fees and there is free data with the Tramex Remote Environmental Monitoring System.

1. 10 x CS-RHTA Tramex Cloud Sensors
2. 1 x Heavy Duty Protective Carry Case
3. Tramex Cloud Software Monitoring platform (Tablet not included)
